TELEPHONE CONFERENCE RECORD

Hon. Assistant Commissioner
For Patents
Washington, D.C. 20231

Sir:

SPE Richard Hjelpe and the Applicant's representative, Mr. Vincent Turner, spoke on the telephone on December 10, 1998 and on December 15, 1998 regarding IDSs in the pending applications of the Applicant. SPE Hjelpe said that he had met with the directors of the groups examining the Applicant's pending applications regarding IDSs being filed by the Applicant. SPE Hjelpe stated that the Directors had decided that, when an IDS is relevant to multiple applications, the Applicant should file an individual IDS in each relevant application and that the Applicant should file three copies of each patent and nonpatent reference with SPE Hjelpe. This will make it more convenient for the Applicant and for the PTO. SPE Hjelpe suggested that the Applicant select an application and direct the copies of the references to that application for convenience. The Applicant has selected the instant application identified above.

SPE Richard Hjelpe and Mr. Vincent Turner spoke on the telephone on February 2, 1999. SPE Hjelpe suggested that the Applicant deliver the copies of the references to his office in room 6201, in Crystal Park 2, on the sixth floor, at the PTO.

Respectfully submitted,

Dated: February 2, 1999
